

Well we had another fantastic day training on our tow field in perfect weather conditions. Well done to Caspar for completing your Taster Day some great flying, I'm sure we will see you back soon. Well done also to Mark for completing this Tow conversion and to Andy, Anne and Emma who are now all in circuits.

Also congratulations to Simon who passed his instructor exam yesterday. Those who were there know how hard he worked and I'm sure will agree he deserves this long awaited qualification. Well done mate.

Below are some photos of the day.
